EXPERIENCE

City of Chicago – Policy Research Fellow <i>Office of the Mayor</i>	Jul. 2026 – Present Chicago, IL
- Develop a framework for assessing municipal finance policy options and their fiscal and equity impacts. - Provide quantitative and policy analysis supporting tax revenue projections, budget forecasting, and long-term fiscal sustainability.	
University of Chicago – Research Assistant to Prof. Erin Kelley <i>Labor Market and Entrepreneurship Study</i>	Mar. 2026 – Present Chicago, IL
- Built reproducible Python workflows to clean pilot survey data and generate descriptive tables, figures, and summary statistics. - Analyzed labor market profiles, entrepreneurship experience, technical skills, gender differences, and income expectations. - Drafted research results.	
Bank of Mexico – Specialty Leader <i>Economic Information Systems Office</i>	May 2023 – Aug. 2025 Mexico City, Mexico
- Coordinated the publication process for flagship economic reports, ensuring consistency across text, tables, figures, charts, and maps. - Supervised analysts and interns across economic research, editorial review, and publication workflows. - Served as the main liaison for legal, transparency, compliance, non-financial risk, and internal audit matters within the Directorate General of Economic Research. - Designed editorial and consistency guidelines to standardize the Quarterly Inflation Report.	
Bank of Mexico – Information and Business Analyst <i>Economic Information Systems Office</i>	Nov. 2019 – May 2023 Mexico City, Mexico
- Automated editorial and data-review workflows for flagship economic reports, reducing processing time and manual review steps. - Produced analytic inputs, visualizations, tables, and data outputs for researchers and senior-level briefs. - Developed the non-financial risk matrix for the Directorate General of Economic Research.	
Bank of Mexico - Internship <i>Deputy Manager's Office for Compliance and Process Monitoring</i>	Feb. 2019 – Aug. 2019 Mexico City, Mexico
- Assisted in monitoring compliance records and control activities for critical processes across the Bank of Mexico. - Reviewed and organized documentation to support internal control, process monitoring, and institutional compliance efforts.	

ACCT (NGO) - Program Coordinator

Jan. 2017 - Dec. 18

*Acción Comunitaria por la Colonia Tizapán**Mexico City, México*
